PAVILION GRAND OPENING

A family fun day and donors' reception is being planned for Saturday, October 12th, for the Grand Opening of the Library's new outdoor pavilion. You are invited to celebrate this added feature to the Gibson Memorial Library. This new area will program must needed space for the library's programming for three seasons of the year. Please join us from 12:30-4:30 for family fun, games, food, music and a thank you to donors.

The library staff have been busy planning lots of fun activities for you and your family to enjoy, learn and experience. If you have email, O.J. Fargo sends a complete listing of all of the offerings each month. The Friends of the Library newsletter highlights some of the activities, but for a full list, please check O.J.'s email or pick up a monthly calendar at the library.
